Dear Cherry Hill West Students and Families,

January 5th, 2020

Welcome new and returning Tiger Families! I hope that you had a relaxing and enjoyable winter break. I would like to take this opportunity to introduce myself, my name is Ms. Kyra Denish and I am very excited to begin my role as the School Counseling Intern at Cherry Hill High School West. I look forward to learning more about each of you.

I am truly passionate about working with children and helping them achieve their full personal and academic potential. My goal is to continue to provide the same high-quality support that you have experienced in the past with the guidance department. I am here to help students achieve their personal/social and academics goals, as well as provide support for the parents and teachers.

Any student or parent can request to meet with me or can be referred by a teacher, staff member, or administrator. Students and parents can refer as well. I encourage you to reach out if you have any concerns regarding your child. I can be reached by email at kdenish@chclc.org. I look forward to getting to know each of you and learning more about what I can do to help you succeed!

Sincerely,

Kyra Denish
